

Rain

Madonna

B **Eb**
R: Rain, feel it on my finger tips

F
Hear it on my window pane

B
Your love's coming down like

Eb
Rain, wash away my sorrow

F
Take away my pain

B
Your love's coming down like rain

Eb
1. When your lips are burning mine

F **B**
And you take the time to tell me how you feel

Eb
When you listen to my words

F **Cm**
And I know you've heard, I know it's real

Eb
Rain is what the thunder brings

Gm **Eb**
For the first time I can hear my heart sing

Gm **Eb**
Call me a fool but I know I'm not

F7 **F**
I'm gonna stand out here on the mountain top till I feel your

R: Rain, feel it on my finger tips...

2. When you looked into my eyes

When I turned the other way did you hear me say
did you hear me say I'd wait for all the dark clouds
bursting in a perfect sky

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun till I feel your

R: Rain, feel it on my finger tips...

C# **Eb** **C#** **Eb**
Here comes the sun, here comes the sun

C# **Eb** **F**
And I say, never go away

C **F** **G**
Waiting is the hardest thing
(It's strange I feel like I've know you before)
I tell myself that if I believe in you
(And I want to understand you)
In the dream of you
(More and more)
With all my heart and all my soul
(When I'm with you)
That by sheer force of will

(I feel like a magical child)
I will raise you from the ground
(Everything strange)
And without a sound you'll appear
(Everything wild)
And surrender to me, to love
