

# I Feel Hard

Madrugada

I feel hard  
Yeah I'm hard  
I'm hard like an oak

Don't you know that I feel hard  
Yeah, I'm hard  
I'm hard as an oak

Well I tried to hold you, baby  
But it won't stop  
It has gotten me  
Can't you see?

Now you're looking for a soft place on me  
But there's no such place on my body  
Can't you see?

And I'm sharp  
Yeah, I'm sharp  
Sharp as a knife  
(You can use me to cut with)

When you show your teeth, baby  
When you show pearly white

Well I tried to hold you, baby  
But it won't stop  
It has gotten me  
Can't you see?

Now you're looking for a soft place on me  
But there's no such place on my body  
Can't you see?

Well, I'm just saying this because you should know  
Well I'm just right when you say I'm wrong  
I'm right when you say I'm wrong

I'm tired of foolin' around on the floor, babe  
We had some good times  
You know what I mean, didn't we?
