

Two Black Bones

Madrugada

Ooooooh! Shaaaaah!
Ooooooh! Shaaaaah!
Ooooooh! Two black bones
Two black bones

And a home in the woods
Two black bones
Two black bones
Two black bones

And a home in the woods
One more time
Two black bones
Two black bones
Two black bones

And a home in the woods, uuuuh
Ooooooh!

Ooooooh! Shaaaaah!
Shaaaaah! Ooooooh!
Ooooooh! Shaaaaah!

One more shot
One more shot
One more shot

And I'll be gone
Two black bones
Two black bones
Two black bones

And a home out in the woods
Yeah
Oh yeah

I had a dog
I had a dog
I had a dog

Now he is gone
We put in the ground
Oh
Blankets wrapped around his angry sleep

Leaving cancer there to burn and
Ache in a barren land, ah
Ooooooh! Shaaaaah!
Ooooooh! Shaaaaah!

The dog in his grave
Oh, come on!
Oh, whooh!
Stop!
Whooh!
Oh yeah

I had a dog
I had a dog
I had a dog
Now he is gone
Gone, gone, gone!

Oh, it makes me want to sing
Makes me want to sing
