Maejor Ali

(Ali)

Theses bottles for me and my team
This table for me and my team
Girl come get up on this couch for me and my team
Tell your girls come have a drink with me and my team

My team (got money)
My team (got a lotta dough)
My team (the same team)
My team (when I was poor)

Now we on top just.. Me and my team (2x)

Now we on, plus take home, Need to let my dog of the collar
Me and Bizza gonna trouter

Poped outta that Rari
If I hurt your feelings I'm sooory
Six more pulled right behind me
Whole team lookin like an army
You ain't even gotta worry bout you and me
I ain't even gotta tell ya wait and see
Tap your homie on the shoulder
Say would you die for me
And you already know
Might seem alright for me

Cause I'm ready where you is
Ain't nobody else sexy as you is
And I'm trynna get you back to the crib crib criib..
