Moonlight Shadow

Maggie Reilly

The last that ever she saw him Carried away by a moonlight shadow He passed on worried and warning Carried away by a moonlight shadow Lost in a riddle that Saturday night Far away on the other side. He was caught in the middle of a desperate fight And she couldn't find how to push through

The trees that whisper in the evening Carried away by a moonlight shadow Sing a song of sorrow and grieving Carried away by a moonlight shadow All she saw was a silhouette of a gun Far away on the other side. He was shot six times by a man on the run And she couldn't find how to push through

I stay, I pray See you in Heaven, far away I stay, I pray See you in Heaven, one day

Four a.m. in the morning Carried away by a moonlight shadow I watched your vision forming Carried away by a moonlight shadow A star was glowing in a silvery night Far away on the other side Will you come to talk to me this night But she couldn't find how to push through

I stay, I pray See you in Heaven, far away I stay, I pray See you in Heaven, one day

Far away on the other side.

Caught in the middle of a hundred and five The night was heavy and the air was alive But she couldn't find how to push through

Carried away by a moonlight shadow Carried away by a moonlight shadow Far away on the other side
