

I Ain't Your Mama

Maggie Rose

I'm puttin' on pearls, I'm puttin' on pumps, got a little lace
apron on me
Gonna make you stop, gonna make you wanna watch me do the laundry
Gonna put some fun back in this ho-hum honey
Gonna be so hot you'll think it oughta cost you money
You ain't gonna wanna leave home, 'cause I got it goin' on
I will be most anything you want

I'll be your laughter, I'll be your drama, I'll be your best friend, I'll
Be your lover
You can be my baby any time you wanna
But I ain't your mama
No, I ain't your mama

I won't make your rules, I won't wipe your nose, I ain't gonna
check up on
Ya
Stay out all night long as that sunlight don't end up tellin' on ya
I won't be your boss, I won't be the bad cop baby
But I'll be the one you just wanna love like crazy
'Cause I'll do all those things that make you wanna sing
I'll say your name, make you wanna do the same

I'll be your laughter, I'll be your drama, I'll be your best friend, I'll
Be your lover
You can be my baby any time you wanna
But I ain't your mama
No, I ain't your mama

Oh, come on honey
You ain't gonna wanna leave home, 'cause I got it goin' on
I will be most anything you want

I'll be your laughter, I'll be your drama, I'll be your best friend, I'll
Be your lover
You can be my baby any time you wanna
But I ain't your mama
No, I ain't your mama

I'll be your best friend, I'll be your lover
You can be my baby any time you wanna
But I ain't your mama
No, I ain't your mama
