

# Watch Me

Maggie Rose

I don't need no one to tell me how to feel the beat  
I don't need no beat to tell me how to move my feet  
Just go and do what you do  
'Cause there's nothing to prove  
(I'm just being me, watch me do me)

I don't need no magazine to tell me who to be  
I don't need to pose for p-p-paparazzi  
Just keep the cameras flashing  
To try to catch this action  
(I'm just being me, watch me do me)

Light up the floor, play me one more  
Let me hear that  
Click clack on the hi-hat or the base vibrate  
Feel the room rock  
Light up the floor, just like before  
Let me hear that bass drop  
And the boombox make your heart stop  
Feel the room rock  
I'm doing all I wanna do  
And I won't stop until I can't move  
I'm just being me, watch me do me  
(Me, me)  
Watch me do me  
(Me, me)  
Watch me, watch me

I don't need no music when I wanna sing a song  
I don't need what's popular to know what's right or wrong  
I'm busy burning a track, not holding anything back  
(I'm just being me, watch me do me)

Light up the floor, play me one more  
Let me hear that  
Click clack on the hi-hat or the base vibrate  
Feel the room rock  
Light up the floor, just like before  
Let me hear that bass drop  
And the boombox make your heart stop  
Feel the room rock  
I'm doing all I wanna do  
And I won't stop until I can't move  
I'm just being me, watch me do me  
(Me, me)  
Watch me do me  
(Me, me)  
Watch me, watch me

I'm ready, I'm, I'm ready to go  
Let, let it  
Let, let, let it explode  
I'm ready, I'm, I'm ready to go, to go, to go

Light up the floor, play me one more  
Let me hear that  
Click clack on the hi-hat or the base vibrate

Feel the room rock  
Light up the floor, just like before  
Let me hear that bass drop  
And the boombox make your heart stop  
(Stop)

I'm doing all I wanna do  
And I won't stop until I can't move  
I'm just being me, watch me do me  
(Me, me)  
Watch me do me  
(Me, me)  
Watch me, watch me
