

In the Den of the Mountain Trolls

Magic Kingdom

Do you want to know the meaning of your life ?
Do you want to know when your time has come ?
Will you forever be this shadow of a man ?
Will you dare to break all rules ?
Do you want to know the longing of your heart ?
Do you want to know how the dark can heal ?
Take her hand and run to the uncanny hill,
To the hall of the old mountain king

One day you will find your path with the demons of the night
One day you will find true love but you'll become a deadly troll
l
Through the forest ; on the hill, in the hall of the mountain king
Adorned with gold and stones, you'll die
In the den of the mountain trolls

Be true to yourself and to hell with the world
Welcome to the court of the dreadful trolls
You made some mistakes, but fate never forgets
Slowly, dark secrets always kill
There's no way to escape your creepy destiny
The troll king's delighted to eat your flesh
You have lost your mind, in the depths of your soul
You know now your choice was wrong

One day you will find your path with the demons of the night
One day you will find true love but you'll become a deadly troll
l
Through the forest ; on the hill, in the hall of the mountain king
Adorned with gold and stones, you'll die
In the den of the mountain trolls
