

A great vacation  
No other holiday  
Don't turn the light on  
You don't intend to stay  
That guy is dead, yeah  
And there's no guarantee  
Don't turn the light on  
Cause there's too much to see  
And I'm feeling better but....  
I don't wanna go, don't wanna go  
I don't wanna go, don't wanna go  
The thorough? fallout  
I see it on the ground  
Into the car then  
Until the walls break down  
A great vacation  
No other holiday  
Don't turn the light on  
You don't intend to stay  
And I'm feeling better but....  
I don't wanna go, don't wanna go  
I don't wanna go, don't wanna go  
I don't wanna go, don't wanna go  
I don't wanna go, don't wanna go  
I don't wanna go, don't wanna go  
I don't wanna go, don't wanna go  
I don't wanna go, don't wanna go  
I don't wanna go, don't wanna go
