

Sacred Hour

Magnum

All of my dreams that fell through
And had tasted so sour
Take second place in my mind
For this one sacred hour
Still I've been moved for so long
By this strange fascination
Here, as I stand all alone
In complete concentration

Face through the clouds and the gods
Shine with awe splendour
Rise up and roar, they approve
Will they always remember?
I hear the voice of the crowd
It will last forever
Locked in my heart, kept away
Like a stolen treasure

I can hear them calling
Hear the crowd applauding
If it's real I like the feeling
If I'm wrong who am I deceiving?

Night after night it repeats
An exciting romance
Shared by us all, though we met
By a fleeting half chance
Caught trapped in time, no escape
From this powerful dream world
Pleased though I am to be here
I am lost in the real world

I can hear them calling
Hear the crowd applauding
If it's real I like the feeling
If I'm wrong who am I deceiving?

All of my dreams that fell through
And had tasted so sour
Take second place in my mind
For this one sacred hour
Still I've been moved for so long
By this strange fascination
Here, as I stand all alone
In complete concentration

I can hear them calling
Hear the crowd applauding
If it's real I like the feeling
If I'm wrong who am I deceiving?

I can hear them calling
Hear the crowd applauding
If it's real I like the feeling
If I'm wrong who am I deceiving?
