- Ami** **D** **E** **Ami**
1. Don't place your trust in foolish promises sworn
- Ami** **D** **E** **Ami**

- Ami** **F** **G** **Ami**
- The spirit will find you always be fair

- R: The spirit that guides you follow it through
- Ami** **F** **G** **Ami**
- To the spirit inside you always be true
- C** **G** **F**
- You know you'll despair
- Ami** **F** **G** **Ami**
- If the spirit inside is used without care
3. The battlefield of glory pales into rust
- The river flows much thicker fed by each thrust
- No beast alive does compare
- The spirit beside you everywhere
4. Let not your head be turned by tainted reward
- And dreams of fortune won forever to hoard
- Your conscience could not repair
- The spirit inside used without care
- F** **G** **F** **G** **F**
- 'Cause it will be your shelter, help you how to decide
- G** **F** **G**
- And it will be your helper should your loyalties divide
5. The ash of pages swept before the cruel wind
- The loss of choices praises no-one will sing
- No clues to how you will fare
- The spirit implores you tread where you dare
6. The dust lies thick on casket rich or quite poor
- Distinction disappears the worm both deplore
- The candle burns out once more
- But the spirit inside you won't be ignored
