

Better Off Without You

Major Accident

You come on strong all smiley face,
To gain our trust now that's a must,
But I'm better off without you.
Full off feelings for your self,
with droogie patter that doesn't 't matter,
But I'm better off without you.

[Chorus]

A sociopath is what you are,
Money your site you're full off shite,
Now I'm better off without you.
You plot and scheme now that's your way,
A knife in the back I'll make you pay,
Cos I'm better off without you.

[Chorus]

You tell us lies to split and divide.
The legion's strong we won't subside,
Now I'm better off without you.
You're all alone with no true friend,
A waste of space I spit in your face,
Cos I'm better off without you.

[Chorus]

Get out of my life,
Get out of my hair,
A smile on my face,
Now you're not there,
Get out of my life,
Get out of my way,
You better step back,
Or I'll make you pay.
