Yo! When I was young and my dad had a reefer house  
I'd catch a contact and talk like Eek-A-Mouse  
Go to school, act like I'm pulling reefer out  
Kinda funny cause I used to freak my teachers out  
Like "dong dong diddy dong dong", seen?  
So much mi go teach ya bout  
Peace to the one Black Chiney and the out  
In the club, everybody on Sinatra  
Look around, everybody on Sinatra  
I ain't talking bout this shit they call Coke and vodka  
I'm talking bout this shit you snort and go "ha ha ha ha ha ha ha"  
I mean just go bonkers  
Make the young girls wild, and then go topless  
Make the dope boy smile, they don't need binoculars  
Make a nigga wanna pull out choppas  
Brrap brrap brrap they got ya

Ring, bom bom bom bom  
Aerosol can, bom bom bom bom  
Monkey outside, bom bom bom bom  
Shooting all night, bom bom bom bom  
Bom to the bom to the clang clang clang  
Banging on that ass like orangutan  
Motherfucker transform to a grown man  
And transform again like

Skateboard, can a nigga make more?  
Steal my style? I ain't got no reward

Child Rebel Soldier, hit that ass for the combo  
AK-47 and the dress on a rhino, boom  
Commodore like Lionel, zoom  
Hauling that ass like a new Veyron  
Am I wrong?  
Riding with my bitch mane, all night long  
One second I'm here, next second I'm gone  
That's two in 60 seconds, nigga, what you want?  
Girls on me like they superglued on  
My dick like a table you can place food on

Look at yo forehead, sweating profusely
