

# The Deviant's March

Malevolent Creation

Fill this world with terror!!!

Fill the world with terror  
All offensive conquest  
All the shock and horror  
Put the world to test

Godless demons raise  
Their wings full of rage  
Congregation battleclad  
Prepared for the siege

Godfeared downfall  
The deviants march  
Low morals stand tall  
The deviants march

Resist  
Violent increase  
Eradicate  
Those who oppose  
Destroying now  
All in its path  
Incinerate  
Souls to the last

\*repeat accordingly\*
