

# Thoughts and Clouds

Malika Ayane

There she goes  
Down my knees  
She sings out loud  
She says

Aaaaaaaaaaaaaaaaaaaaaa

Here she comes  
Through the clouds

Not old  
Not new  
The world  
You knew  
will change with you  
And colours too

Aaaaaaaaaaaaaaaaaaaaaa

Thoughts and clouds  
Can drift or sway

Aaaaaaaaaaaaaaaaaaaaaa

Now she's grown  
She doesn't care  
Drifting on  
Rain and rainbows  
She'll play with trees  
And daisies too  
To shine her love

Aaaaaaaaaaaaaaaaaaaaaa

I can't take the flowers away  
Her favorite game

Not old  
Not new  
The world

So rain and rainbows  
Make a perfect day
