

Nothin' ever lasts
Didn't you learn this by now?
Were you born in a briar
With your head upside down
And you toe the line between
Losin' your mind and fancy free
With a dollop of delusion

I don't wanna know if
You're livin' on cloud nein
I don't wanna know if
You're livin' in denial
I don't wanna know if
You're livin' on cloud nein
I don't wanna know if
You're livin' in denial
In denial

Nothin' ever lasts (never lasts)
Didn't you learn this by now? (Ooh-ooh-ooh-ooh-ooh)
Were you born in a bubble?
Were you raised on a cloud?
And all your dreams crash & burn

And fall to the ground (fall to the ground)
When they're made of sweet nothings
'Cause nothing sticks around

I don't wanna know if
You're livin' on cloud nein
I don't wanna know if
You're livin' in denial
I don't wanna know if
You're livin' on cloud nein
I don't wanna know if
You're livin' in denial
In denial

I don't wanna know
I don't wanna know

I don't wanna know if
You're livin' on cloud nein
I don't wanna know if
You're livin' in denial
I don't wanna know if
You're livin' on cloud nein
I don't wanna know if
You're livin' in denial
