

## Doo Right

Man Man

I wanna hold you  
Till the mountains turn into sand  
Oh my God, what happened to all those days  
Before we were bruised  
Before we were cut loose  
To drown in your wake

I can't breathe underwater  
Like I used to 'fore I met you, oh

I just can't remember  
January straight through December  
My collective memories are in shambles  
And so are my scruples  
I'm outside your window  
Throwin' bricks at the moon

I can't breathe underwater  
Like I used to 'fore I met you
