

## Future Peg

Man Man

Don't beat around the bush again  
Your heart is burstin'  
Don't beat around the bush again  
Your heart is thirstin' for  
Someone to let you know  
Someone to tell you (hey)  
Someone to let you know  
You're not a future peg

Movin' like a 2x4  
Tryin' to escape the floor  
Movin' like a 2x4  
Tryin' to escape the...

Have you ever had a meltdown, where it  
Felt like your brain was oozin'  
Like a meltin' ice-cream sandwich  
From your lips to the table to the floor  
And you never got a word in edgewise  
'Cause your tongue was tied in a bow tie  
And your words shot out like an Uzi  
Spinnin' like a bottle on the ground

Movin' like a 2x4  
Tryin' to escape the floor  
Movin' like a 2x4  
Tryin' to escape the...

And you never got a word in edgewise  
'Cause your tongue was tied in a bow tie  
And your words shot out like an Uzi  
Spinnin' like a bottle on the ground  
Have you ever had a meltdown, where it  
Felt like your brain was oozin'  
Like a meltin' ice-cream sandwich  
From your lips to the table to the floor

Your heart is burstin'  
Your heart is thirstin' for  
(Someone to let you know)  
Someone to tell you  
(Someone to let you know)  
You're not a future peg

Movin' like a 2x4
