

Man Who Make You Sick

Man Man

Another day of rattling souls
Hanging over your head
So you bought a crucifix
Smeared across your breast
A dozen red rabbits-feet
Hanging around your neck
So you bought a crucifix
Smeared across your breast

I saw the devil in your eyes last night, and it scared me half to death
It's hard to think about haunting you, knowing you're possessed

Man who makes you sick,
Floats along on angels' wings
Man who makes you sick,
Floats along on angels' wings
Man who makes you sick,
Floats along on angels' wings
Man who makes you sick,
Floats along on angels' wings

If I bought you an elephant, would you ride it around?
If I bought you a cross to hang on, girl, would you burn it down?
If I told you I loved you, would you still kick me out?
If I told you you're beautiful, could I finish in your mouth

Another day of rattling souls
Hanging over your head
So you bought a crucifix
Smeared across your breast
A dozen red rabbits-feet hanging
Hanging around your neck
So you bought a crucifix
Smeared across your breast

(Man Make Sick!)

(Man who make you sick!)

MAN WHO MAKE YOU SICK!
MAN WHO MAKE YOU SICK!
MAN WHO MAKE YOU SICK!
MAN WHO MAKE YOU SICK!
MAN WHO MAKE YOU SICK!
MAN WHO MAKE YOU SICK!
MAN WHO MAKE YOU SICK!
MAN WHO MAKE YOU SICK!
HOHHHHH!
