Bounce

Manafest

Mr. Manafest, What, what, what, Mr. Manafest, what, what, what

Mr. Manafest what you got to say You got a song that's controversial, eh You're Canadian, white Caucasian and still skateboarding And tour live recording it Were not here trying to bring you down Were just trying figure you out

Well I was only 18 when I bust up my leg When I slipped off a ledge, and fell on my head I got stuck in a bed with a pad and a pen I had a voice in my head and this is what it said Right now, write down, write your feelings out Rhyme out a song loud, put my words in style Find out why my people are crying out Reach out with hip hop skate board is your crowd Now is the time, now is the sign Now say a line that'll prick the minds It's over now, your older now I'll flow right through ye let's show them how, and

Bounce if you wanna, just Bounce and Bounce And Move if you wanna, just move, and move So all the B-boy's B-girls hit the floor Here we go now, let's go let's go Bounce if you wanna, just Bounce and Bounce And Move if you wanna, just move, and move Come on B-boy's B-girls hit the floor Here we go now, let's go let's go

They said it couldn't be done I said we haven't tried A white skateboarder kid blew up there minds Take the music out the box like God with us Stomp like Jericho walls and stretch your lungs I'd want to know if I was walking down the wrong road Why didn't someone tell me I had my eyes closed I watch what I eat, since super size me Since the internet my space be the in thing I talk in my sleep, like I'm walking a dream I cling to the cross who's the lord and the king You think I'm crazy, they think I'm crazy I've test drived it baby, it rides amazing Still skating, for real not the same guy Slide to the front of the stage hands high

Bounce if you want to, just Bounce and Bounce Move if you want to, just move, and move Now all my B-boy's B-girls hit the floor Here we go now, let's go let's go Bounce if you wanna, just Bounce and Bounce And Move if you wanna, just move, and move So all the B-boy's B-girls hit the floor Here we go now, let's go let's go Everyone gather round I think we should announce That it is time to bounce

While your moving that left & your right foot It's better now that you're hooked with the right book I mean you can do anything, anything They told me not to rap or sing a thing I failed music they said don't do it I put down acoustics & started a movement I rhyme like an air flare, up in your face Hold an air chair "pose", flow at my pace If I can do it, you can do it if you can do it they can do it If we can do it, what we doing, let's start moving
