Smile you're on TV again

You must put up a happy face

Your mother told you to on christmas day

Bm Em Bm

Oh you must do what they say

Em D G

Now you're thinking of happy thoughts

D G

Like no one did you harm and it was all 1234

Life is so brilliant, but why?

I'm not so sure.

You remember the day

You remember the package

Where he used to spend his years

And now you found him

Em F#m

Or was it him that found you?

Life is sweet when he is back

So I just say

D G D

Welcome home, Luc Robitaille!

G Bm

There's so much that you missed

G D G Bm

I threw the others away
