

# Independent Woman

Manfred Mann's Earth Band

Lend me your ears dry up your tears  
And let's hear the cheers for the year of the independent woman

You gotta break through this wall  
Take a stand never fall  
There may be one chance I know  
Take it now one final go

Don't sit back stick on the track  
You watch your back but give a damn  
You've gotta be the one to keep it like that  
To keep it like that, to keep it like that  
Do what you have to do  
Say what you need to say  
Be what you want to be what you want to be

Lend me your ears dry up your tears  
And let's hear the cheers for the year of the independent woman

You gotta break from these chains  
You gotta make this your claim  
You know it's all down to you  
And we know who's to blame

It's been tough gonna get rough  
You've had enough and you can tell  
You gotta think what you can do about that  
Can do about that, can do about that  
Do what you have to do  
Say what you need to say  
Be what you want to be what you want to be

Lend me your ears dry up your tears  
And let's hear the cheers for the year of the independent woman

Jede Frau ist Mutter, eine Mutter der Welt  
Wir alle bleiben ihre Kinder, weil es lebenslang hält  
Wir erschaffen und ernähren das was uns widerfährt  
Weil der Bauch alle Dinge gebährt  
Ist nur fair wenn du erfährst dass die Zeit alles nimmt  
Und nichts bleibt was du in dieser Welt geboren hast  
Es ist der Preis dass du erst weißt was Verlust heißt  
Nachdem du es verloren hast

You gotta break through this wall  
Take a stand never fall  
There may be one chance I know  
Take it now one final go

Let's hear the cheers for the year of the independent woman
