

Million Ways to Live

Mapei

Pack your backpack
Swinging, banging, rolling deep
Like the Rat Pack
Steady riding on the beat
Okay, now clap clap
Where them hands at?
Moving my hips and my feet
I know you like that

Took the stage that I'm in
Ain't no need for me to pretend
You pick me up when I feel alone
I'm back on my feet again
Now two step, under the sun
We don't care where you've been
Or where you're from

A million ways to live in this modern day
All the troubles that you're in, watch you moving
Mad world, it's a fact
Put it in your hashtag
Only once to live, never gonna get it back
Let's go

Even if the road is long
When I'm many many miles from home
This is where we all belong
Many many miles from home
Don't look back, you know better than that
We've got a long way to go
Eventhough the road is long
And we're many many miles from home

Jetlag
Feeling like I'm in my zone
Just had a flashback
To the days that we were young
Let's take it way back
Papa was a rollin' stone
And mama told me
If I have a heart, I have a home

A million ways to live in this modern day
All the troubles that you're in, watch you moving
Mad world, it's a fact
Put it in your hashtag
Only once to live, never gonna get it back
Let's go

Even if the road is long
When I'm many many miles from home
This is where we all belong
Many many miles from home
Don't look back, you know better than that
We've got a long way to go
Eventhough the road is long
And we're many many miles from home

Ah-ah-ah, many many miles from home
Ah-ah-ah, many many miles from home
Ah-ah-ah, many many miles from home
Ah-ah-ah, many many miles from home
Even if the road is long
When I'm many many miles from home
This is where we all belong
Many many miles from home
Don't look back, you know better than that
We've got a long way to go
Eventhough the road is long
And we're many many miles from home

Long way to go
Long way to go til we get home
Long way to go til we get home
Eventhough the road is long
And I'm many many miles from home
This is where we all belong
Many many miles from home
Don't look back, you know better than that
We've got a long way to go
Eventhough the road is long
And we're many many miles from home, oh-oh
Long way to go til we get home
Now we're gonna [?]
It's a long way home
