

# Shoot Me From The Waist

Mapei

Do you remember the time?

Do you remember the time  
When we were alive  
Looked up and flied to the sky  
In my own fantasy, you  
Shoot me from the waist down  
Your eyes turn heads  
And I believe them  
If I turn red, then silence is the reason

That my heart, it said it all  
My heart did it all for the guys  
My shade play down the stairs  
I'm in the side now

Shoot me from the waist down  
You will trip, you will fly, you will drown  
Shoot me from the waist down  
You will trip, you will fly, you will drown  
Shoot me from the waist down

Finding a sign isn't mine  
Am I blind?  
This is dangerous  
Hope in my eyes  
Guess it's my time to shine  
But it's dangerous

But heart, it said it all  
But heart did it all for the guys  
My shade play down the stairs  
I'm in the side now

Shoot me from the waist down  
You will trip, you will fly, you will drown  
Shoot me from the waist down  
You will trip, you will fly, you will drown  
Shoot me from the waist down  
Shoot me from the waist

Daytime in, daytime out  
These days, I hide  
You swallowed them, erased the doubts  
I know

Shoot me from the waist down  
Shoot me from the waist down
