

Swim

Mapei

Daytime runs out
Pacing on the shore
Told the ocean to take me
Can't swim anymore
I am speechless, my luck's out
Money out the door
Took my last steps of lonely
Can't dance anymore

But I'm gonna live for you
I'm gonna live for you
I'm gonna sing for you
Again
I'm gonna live for you
I'm gonna swim for you
I'm gonna run to you
My friend

Said my last words and my prayers
To all of the lords
And the exit of no re-
Turn is so secure
I can't see, I can't feel
What my heart is waiting for
One more second and time's out
I'm not here anymore

But I'm gonna live for you
I'm gonna live for you
I'm gonna sing for you

Again
I'm gonna live for you
I'm gonna swim for you
I'm gonna run to you
My friend

I decided to breathe again
I'm showing up to life until the very end
Can't nobody try me, try me

'Cause I'm gonna live for you
I'm gonna live for you
I'm gonna sing for you
I'm gonna sing for you again

I'm gonna live for you
I'm gonna live for you
I'm gonna sing for you
Again
I'm gonna live for you
I'm gonna swim for you
I'm gonna run to you
My friend

I'm gonna live for you
I'm gonna live for you

I'm gonna sing for you
Again
I'm gonna live for you
I'm gonna swim for you
I'm gonna run to you
My friend
