

# Blond Boy

Marc Almond

The boy with the young heart left the boy with the sad eyes  
And went to the boy with the grin  
Heart on his biceps, suffering another love  
Could be the end of him  
The blond boy  
Blond boy  
The blond boy  
Blond boy  
'82 in the president hotel  
Just the blond boy with me  
Bad blood, jacking off jism and blues  
Cliff richard on the black and white tv  
The blond boy  
The blond boy  
The blond boy  
The blond boy  
If the world don't get much better  
We'll go and get a gun, hide it in our cellar  
T'was then I knew that I'd rather be  
With a .22 calibre next to me  
Than the blond boy  
Than the blond boy  
Blond boy  
Than the blond boy  
The blond boy  
Blond boy  
Blond boy  
Blond boy  
Blond boy  
I can sin all my life for God will forgive me  
Can't seem to suppress cruel feelings within me  
God will forgive me they taught me when young  
So I do what I like and say sorry when done  
Blond boy  
The blond boy  
Blond boy  
The blond boy  
We're always cruel to the ones we love  
Always cruel to the ones we love  
We're always cruel to the ones we love  
Always cruel to the ones we love  
Blond boy  
The blond boy  
Blond boy  
The blond boy  
Riverside drives, years before  
Flattened up against the bathroom door  
Said you were the one, well to hell I lied  
Too many problems boiling up inside  
Blond boy  
The blond boy  
Blond boy  
The blond boy  
It's an endless search, how you know that hell  
When I saw you last year and you were looking well  
No bad blood, fake love, no feelings for me  
Sad, but that's the way it was meant to be  
Blond boy

The blond boy  
Blond boy  
The blond boy  
Boyhood in illness, adolescence on the rack  
Didn't come this far to fall flat on my back  
Boyhood in illness, adolescence on the rack  
Didn't come this far to fall flat on my back  
Blond boy  
The blond boy  
No no no no no no no no no no no no!  
Arghhhhhhh! hit me where it hurts!  
Blond boy  
The blond boy  
Blond boy  
The blond boy  
Ha ha ha ha ha ha!  
Blond boy  
The blond boy  
Blond boy  
The blond boy  
Boy!
