Marc Cohn

Baby baby, the time is at hand
I tell you one thing that you'll understand
Been a long time looking for something strong
Oh baby it ain't gonna be that long

Baby baby, the time is at hand
I tell you one thing that you'll understand
Been a long time looking for something strong
Oh baby it ain't gonna be that long

We're just fallen angels
(Fallen angels)
Straight from heaven
(Straight from heaven)
I can't keep on
(Can't keep on)
Rollin' sevens
(Rollin' sevens)
Oh baby how lucky can one man get?
Yeah I know I gotta go but I ain't finished yet
(I ain't finished yet)

Oh baby, it ain't gonna be that long
