

# Die Hard

Marc E. Bassy

If you still stay by me  
We can find the right timing  
Yea I'm gonna give you my heart  
And let the old habits die hard  
I know it don't seem like it now  
I swear we can turn this around  
Yea I'm gonna give you my heart  
And let the old habits die hard

I was high when you called me  
But you still don't ever let me go  
You come running in a heart beat  
I'm 100 miles out the door  
Leave it cracked and I'll come back with all my problems  
But it really ain't a thing though  
Still on my side, I don't know how you always solve them  
It's really nothing that you don't know  
I'm convinced that you don't want to be forgotten yeah (oh no no no)  
One more chance and I promise that it won't be nothing, no

If you still stay by me  
We can find the right timing  
Yea I'm gonna give you my heart  
And let the old habits die hard  
I know it don't seem like it now  
I swear we can turn this around  
Yea I'm gonna give you my heart  
And let the old habits die hard

Die hard, die hard, die hard, baby  
Die hard, die hard, die hard, baby

One too many late nights to trust me  
Should have said this yesterday  
Late still might better than nothing  
Ooh, pray you see it that way  
Went to sleep mad but you woke up calling me baby  
But it really ain't a thang though  
Yea I changed your mind every time that I have you naked  
It's really nothing that you don't know  
I'm convinced that you and I are worth the patience (oh no no no)  
One more chance and I promise this time we'll make it, no

If you still stay by me  
We can find the right timing  
Yea I'm gonna give you my heart  
And let the old habits die hard  
I know it don't seem like it now  
I swear we can turn this around  
Yea I'm gonna give you my heart  
And let the old habits die hard

Die hard, die hard, die hard, baby  
Die hard, die hard, die hard, baby  
Die hard, die hard, die hard, baby  
Die hard, die hard, die hard, baby
