

# Love Her Too

Marc E. Bassy

If I love her and I love you  
Could you love her too  
Walking away from her  
I'm afraid to do  
The moment I choose one bae  
One piece of my heart gon' lose  
If I love her and I love you  
Could you love her too

I'll be on my cliché, tryna find a three-way  
Grew up on rappers from the East Bay  
Can't pull myself all this leeway  
I pay for both, ain't no cheap day, no  
My good intentions ain't no wiser  
Make me walking through fire  
But I would be alive

If I, if I, if I

If I love her and I love you  
Could you love her too (yeah, yeah)  
Walking away from her  
I'm afraid to do  
The moment I choose one bae  
One piece of my heart gon' lose  
If I love her and I love you  
Could you love her too

Oh-la-la-la-la-la-la-la  
Oh-la-la-la-la-la-la-la-la-la-la

Oh, yeah, yeah  
I'm a Romeo, feel like '95 Leo  
In love with you both, let's have a trio  
Take a trip to Rio, we can keep it on a D-low  
They ain't gonna know where we go  
Know you got somebody but, really what does he know?  
Baby pretty, black and Filipino  
That's a hunch, with you I keep it a C-note  
Life is all a gamble  
It feel like a casino out in Reno  
But I tell the truth to her, if I feel a way then she know  
Anything, anything, I do it for my sweetie-pie  
She know I will die before I ever share a piece of my heart  
But this time I had to ask to let the thrill fly  
Man, this shit gets so bad, that's why I need to try  
Is she down, or is it only gon' be she and I?  
Normally my girl will tell you  
Really I'm the sweetest guy  
But this might really set it off, I can't even lie

If I, if I, if I

If I love her and I love you  
Could you love her too (ayy)  
Walking away from her  
I'm afraid to do

The moment I choose one bae  
One piece of my heart gon' lose (yeah, uh)  
If I love her and I love you  
Could you love her too (I'm just playin', but I'm sayin')

Oh-la-la-la-la-la-la-la-la (I'm just playin', but I'm sayin')  
Oh-la-la-la-la-la-la-la-la-la-la (yeah)  
Oh-la-la-la-la-la-la-la-la-la-la-la (if I love her too)  
Oh-la-la-la-la-la-la-la-la-la-la
