

# Show Me

Marc E. Bassy

Roll with killers all day  
Smoking killa' all day  
Smooth us all day  
And the radio sounds like the bay

Like it you like it  
Girl don't try it, fight it  
Like it, you like it  
You might as well try it

Roll with killers all day  
Smoking killa' all day  
Smooth us all day  
And the radio sounds like the bay

Show you how, show you how  
Show you how, show you how  
Show you how, show you how  
Show you how this works  
If you knew better  
You might do better

[Hook:]  
I know that you think your bad enough  
And tell me you don't need to fall in love  
But I ain't the one thats to call your bluff  
Ooo yeah I don't need your

Now it's four forty-five  
Write songs, getting high  
Yikin' that thot  
Addicted to the life

Like it you like it  
You like it you like it  
Girl don't try it, fight it  
Like it, you like it  
You might as well try it

Show you how, show you how  
Show you how, show you how  
Show you how this works  
If you knew better  
You might do better

[Hook:]  
I knew that you think your bad enough  
I think that your bad enough  
Don't need to fall in love  
But I ain't the one that to call your bluff  
I don't need your  
I don't need your

[G-Eazy:]  
Ugh, let me show you how this goes

5am marble floors on your tip toes  
Pour two drinks then we sip those  
Up all night Like a 70's disco's, then I switch flows  
Tell me what you trying to get into  
I am only in town for one night  
So it's simple and you saw that text I sent you  
Unless it's something we shouldn't do  
Take it somewhere we ain't took it too  
You could tell how I look at you  
I'mma end up fucking you

Thats five in the morn'  
Feel like all alone  
Pictures in my phone  
Saw that I am taking it home

I like it so, why try and deny it?  
I like it, I like it  
I could never fight it  
I could show you how  
Show you how
