

Hola (I Say)

Marco Mengoni

I used to be a little better at dancing on my own
Before you put your arms around me
Swept the world beneath my feet
And I was just a dreamer living easy, not a penny to my name
Drink away the lonely days, that was 'til you came my way

And you said "hola, hola"
I don't remember anymore
You said "hola, hola"
But I'm sure that wasn't all

Y tú intenantandome animar con vídeos estúpidos
Sin decir una palabra
No lo entenderás ya, ni mañana, ni ahora
Prefieres ver la televisión a estar a mi lado
Y dime ¿cómo puedes vivir cambiando el corazón del muro de Berlín?

Hacíapasas largas siempre y otras cosas
Pero verte reír tantos horas no me basta
Bailabas Latinoamericano y otras cosas
Si llevar bien el tiempo como cuando hay jaleo en una fiesta

And I never was much good at watching movies with subtitles
But with you I didn't mind it
And I guess that's the cliché
'Cause now that you're gone I can't watch films without them
Ain't the same on this sofa when there's no one to hold ya'

Guess I wasted my time trying to learn Spanish
The only thing I can say is "Hola, hola"
"Hola, Hola, hey"
Is "Hola, Hola, hey"
Is "Hola, Hola, hey"
Is "Hola, Hola"

Y tú intenantandome animar con vídeos estúpidos
Sin decir una palabra
No lo entenderás ya, ni mañana, ni ahora
Prefieres ver la televisión a estar a mi lado
Y dime ¿cómo puedes vivir cambiando el corazón del muro de Berlín?

Guess I wasted my time trying to learn Spanish
The only thing I can say is "Hola, hola"
"Hola, Hola, hey"
"Hola, Hola, hey"
"Hola, Hola, hey"
"Hola, Hola, hey"
"Hola"
