Who's the captain of the ship I think it's sinking
I know I don't know what I know I don't know what was I thinkin

Paper Dolls
Before The folding
Schools like malls
That all are closing
Afraid to dance
Don't talk to strangers
Avoid romance
Read what the sign says
Parental guidance is advised
Another teenager surprised
blah, blah, blah, blah
Feels so good to be alive
blah, blah, blah
Yeah, life was easier at five
blah, blah, blah
Feels so good to be alive
blah, blah, blah
Yeah, life was easier at five
What was I thinking?

I can't make up my mind
Can't even make up my bed
Yeah, I should clean up my act
But first I clean up my head
My books are on the shelf
I don't apply myself
You always check up on me
But check yourself, oh

Paper Dolls
Before the folding
Schools like malls
That all are closing
Afraid to dance
Don't talk to strangers
Avoid romance
Read what the sign says
Parental Guidance is advised
Another one us survives
blah, blah, blah, blah
