

Up And Down

Marcy Playground

My baby love me in an elevator
We don't need to be dignified
You can see your friends a little later
But c'mon baby, take a little ride

We go up, we go down
It's okay, we're shakin' it a little bit
We go up, we go down
Moment of a lifetime

My baby love me in a aeroplane
Shake that booty from side to side
Hear them outside as they complain
"How long has that been occupied?"

We go up, we go down
It's okay, we're shakin' it a little bit
We go up, we go down
Moment of a lifetime

Hey hey, we're all around town
Try a new thing, go up and go down
On your mark, get set, now go
So turn up the radio

Turn it up, turn it up
Hey, hey, hey, hey
Hey, hey, hey, hey

My baby love me in a NASA station
I hope that shuttle is a double-wide
We don't need to give you information
This here mission is classified

We go up, we go down
It's okay, we're shakin' it a little bit
We go up, we go down
Moment of a lifetime

Hey hey, we're all around town
Try a new thing, go up and go down
On your mark, get set, now go
Hey hey, we're all around town
Try a new thing, go up and go down
On your mark, get set, now go
So turn up the radio

Turn it up, turn it up
Hey, hey, hey, hey
Hey, hey, hey, hey

Now my baby bought a waterbed
The greatest thing we'd ever seen
Now we don't sleep, oh no instead
We treat it like a trampoline

We go up, we go down

It's okay, we're shakin' it a little bit
We go up, we go down
It's okay, we're breakin' it a little bit
We go up, we go down
It's okay, we start to get a little wet
We go up, we go down
It's moment of a lifetime
