And so they gave in...

To the law of the flesh and pungent lust
And so shall the Curse cover them
As a garment -- as a garment

No hidden manna
No tree of life
No grandiose pillar in the temple of your god

And forever shall you wear this shame As a garment -- as a garment And as a garment shall you be flung Into Judgement -- into Judgement

No hidden manna No tree of life No grandiose pillar in the temple of your god

And as a garment shall you wear these flames This fire of Woe and Banishment Endlessly shall it form and reform Around your limbs -- around your sinful limbs

And forever shall you wear this shame As a garment -- as a garment And as a garment shall you be thrown Into Judgement -- into Judgement
