

# Make It Right

Margaret Becker

Everybody wants someone - To give them courage and keep them strong

But all around the heartaches cry

The search goes on and on and on and on

(You) keep looking for that perfect touch

(You) find somebody but they ask for too much

Everybody needs some love

You can't shake it, it's in your blood

But no one's willing to give theirs up

And it goes on and on and on and on

You can't love until you know the truth

That there's somebody who has seen love through (so)

Make it right

Fall in love with Jesus tonight

(Come on and) Make it right

Fall in love with Jesus tonight

You want the passion you want the fire

You want the romance, you've got the desire

But then the flame starts to die

Well, you move on and on and on and on

When will you learn that it's more than a kiss

When love has come why do you still resist

Open up your heart let Him in

Tonight's the night, it's time to begin

Jesus waits for you, there's no strings attached

If you want a perfect love, all you need is to ask
