

Love Song for a Schuba's Bartender

Margot & the Nuclear So and So's

Hang that wreath. so I can have a happy new year.

you're so pretty, people envy you.

Can you tie a tie?

You're the reason children turn to dope.

pour my drink so we can have ourselves a good time.

you're the reason people lose their minds

and they're all around you but you don't know what you've done
