

Wedding Song

Margot & the Nuclear So and So's

Let's have a party.
We'll invite everybody.
Tell them all that we're leaving,
Hang the stars from the ceiling,
Turn the moon into powder,
Hit the bells even louder.

If you don't want that,
If you won't have me..
Let's have a wedding.
Tell them that's where it's happening.

Tell your friends that we're leaving,
Hang the stars from the ceiling,
Turn the moon into powder,
Hit the bells even louder.

If you don't want that,
If you won't have me,
Oh, my god. oh, my god.
I'll give you everything you've wanted,
Anything at all.
Everything you've wanted,
Everything you've wanted.

Let's have a wedding.
Tell them that's where it's happening.
And if you don't want that,
If you won't have me..
Oh, my god. oh, my god.
I'll give you everything you've wanted,
Anything at all.
Everything you've wanted,
Everything you've wanted,
Everything you, everything you,
Everything you..

Let's have a party.
We'll invite everybody.
