

# Don't Do It

Marian Hill

You're looking sharp as a diamond  
Your teeth are white as a bone

I don't know what you're thinking  
I like to watch you listening  
You like to be on your own  
I like the way you see me  
I like it when you take the lead  
I'd like to get you alone

You gotta lot of walls  
I wanna watch 'em fall  
Talking to my friends and they say, "Don't do it"  
Messing with my head, I don't listen to it  
All up in your bed and I'm so into it  
Flying past the signs saying, "Stop, don't do it"  
Do it, do-do, do it  
Do it, do-do-do, do it  
Do it, do-do, do it  
Please don't waste my time, saying, "Please, don't do it"

Yeah, yeah, yeah  
Please don't waste my time, saying, "Stop"

You're looking sharp as a razor  
Your voice cuts me to the core  
I don't know what you're thinking  
You're bright and then you wear the ring  
I like you better at home  
You always need to see me  
You never can just let me be  
You hate to be on your own  
You think I'm battering  
I'm thinking 'bout a fling

Talking to my friends and they say, "Don't do it"  
He's messing with your head, should've listened to it  
Ran into a bed and I blew right through it  
Should've known better when they said, "Don't do it"  
Do it, do-do, do it  
Do it, do-do-do, do it  
Do it, do-do, do it  
Should've known better when they said, "Don't do it"

Talking to my friends and they say, "Don't do it"  
He's messing with your head, should've listened to it  
Ran into a bed and I blew right through it  
Should've known better when they said, "Don't do it"

Do it, do it, do it  
Do-do-do-do-do  
Do it, do it (do it)  
Should've known better when they said, "Don't do it"
