

No Hesitation

Marian Hill

You're a funny one, I can tell
It's been a minute
Thought I knew you pretty well
But I don't know what you're after
I don't know how to get there faster
You've been fidgeting, I can see
Having hard to keep your eyes off me
I can tell that you want this
When I put my finger upon your lips

I don't, I don't
And I don't, I don't
And I don't, I don't
And I don't, I don't

I don't want your cool conversation
(I don't and I don't)
I want to explore levitation
(I don't and I don't)
One, two, three - no hesitation (no hesitation)
(I don't and I don't)
I don't want your cool conversation
(I don't and I don't)
I want to explore levitation
(I don't and I don't)
One, two, three - no hesitation (no hesitation)
(I don't and I don't, I don't)

(No, no hesi, no, no hesi, no hesi)
(No, no hesi, no hesitation)

Like a magical, it's getting old
When I met you, you were feeling pretty bold
You're a smooth operator
I don't know if I see you later
You're illegible and discrete
And I love the way you're eyeing me
I can feel that you're restless
When I roam my fingers across your chest

I don't, I don't
And I don't, I don't
And I don't, I don't
And I don't, I don't

I don't want your cool conversation
(I don't and I don't)
I want to explore levitation
(I don't and I don't)
One, two, three - no hesitation (no hesitation)
(I don't and I don't)
I don't want your cool conversation
(I don't and I don't)
I want to explore levitation
(I don't and I don't)
One, two, three - no hesitation (no hesitation)
(I don't and I don't, I don't)

I'm not the first to strike, baby
I know, I know you'll never make a move
I think it's time to bite, maybe
I don't, I don't, I don't wanna get stuck into
Stay by you every night, baby
I don't, I don't

I don't want your cool conversation
(I don't and I don't)
I want to explore levitation
(I don't and I don't)
One, two, three - no hesitation (no hesitation)
(I don't and I don't)
I don't want your cool conversation
(I don't and I don't)
I want to explore levitation
(I don't and I don't)
One, two, three - no hesitation (no hesitation)
(I don't and I don't, I don't)

I don't, I don't
And I don't, I don't
And I don't, I don't
And I don't, I don't
I don't want your cool conversation
I want to explore levitation
One, two, three - no hesitation
