

# Cross My Heart

Marianas Trench

So here's another day  
I'll spend away from you  
Another night I'm on another broken avenue  
My bag is ripped and worn  
Then again now so am I  
Take what you want to take  
What you wanna take  
What you..  
I miss the stupid things  
We'd go to sleep and then  
You'd wake me up and kick me out of bed at 3 AM  
Pick up the phone and hear you saying dirty things to me  
Do what you wanna do  
What you wanna do  
What you..

Take me with you  
I start to miss you  
Take me home  
I don't wanna be alone tonight

And I do want to show you  
I will run to you to you till I  
Can't stand on my own anymore  
I cross my heart and hope to die  
Cross my heart and hope to die  
Cross my heart and hope to..

Times are all the same  
You're still away from me  
Another day  
Another dollar that I'll never see  
Gonna get the pieces  
The pieces  
Pieces of something good  
Lie just a little lie  
Just a little lie  
Just a..  
I wonder what your doing  
I wonder if you doubt it  
I wonder how we ever used to go so long without it  
I don't know where to go  
I'm going back to you  
Be where I ought to be  
Where I ought to be  
Where I..

Take me with you  
I start to miss you  
Take me home  
I don't wanna be alone tonight

And I do want to show you  
I will run to you to you till I  
Can't stand on my own anymore  
I cross my heart and hope to die

Take me with you  
I start to miss you  
Take me with you  
I start to miss you  
Take me with you  
I start to miss you  
Take me with you  
I start to miss you  
Take me with you  
I start to miss you  
Take me with you  
I start to miss you  
Take me with you  
I start to miss you  
Take me with you  
I start to miss you  
Take me with you  
I start to miss you

Take me Home  
I don't wanna be alone tonight

And I do want to show you  
I will run to you to you till I  
Can't stand on my own anymore  
I cross my heart and hope to die

And I do want to show you  
I will run to you to you till I  
Can't stand on my own anymore  
I cross my heart and hope to die

And I do want to show you  
I will run to you to you till I  
Can't stand on my own anymore  
I cross my heart and hope to die

And I do want to show you  
I will run to you to you till I  
Can't stand on my own anymore  
I cross my heart and hope to die
