

# Sicker Things

Marianas Trench

Backwards leaving  
Daily beating  
Stupid reasons  
Useless feelings  
I wasn't that surprised  
It's always part of my  
Awkward attempts to speak up

I remain unknown  
I'm bleeding where I bled  
I'm hiding where I hid  
I'm entertaining sicker things  
And everybody said  
I'm burning out instead  
The softer side of a better boy

Feel castrated  
Complicated  
Feelings leading  
Am I mistreated  
I wasn't that prepared  
I wasn't that aware  
Just wanted to disappear

I remain unknown  
I'm bleeding where I bled  
I'm hiding where I hid  
I'm entertaining sicker things  
And everybody said  
I'm burning out instead  
The softer side of a better boy

Come around  
Coming down give it a frown  
To the sound when I hit ground  
I can't believe that I see that you see when I know that I don't give a fuck  
about it anyway  
Stay awake  
Feeling cold and tired

Resignation  
Life's frustration  
I should have thought ahead

And I remain unknown  
I'm bleeding where I bled  
I'm hiding where I hid  
I'm entertaining sicker things  
And everybody said  
I'm burning out instead  
The softer side of a better boy

I'm sicker than I thought  
I'm fighting what I fought  
I'm right back where I started from  
Backwards leaving  
Gamely beating
