

# Sing Sing

Marianas Trench

Can I have your attention?  
I just open my mouth, is it clear? Is it loud for you?

You just need me to be stable but I won't be able  
To keep it together again  
Now don't pretty please me  
Do not make it that easy to slow me down

It's no wonder I'm not eating, I'm not sleeping  
You sing, sing, sing to me  
Sing me something I need  
Sing you, sing you, God I wish that I could

Are you hearing me now?  
Heard the sad little sounds as they fall from my mouth

You just need me to be stable but I won't be able  
To keep it together again  
Now don't pretty please me  
Do not make it that easy to slow me down

It's no wonder I'm not eating, I'm not sleeping  
You sing, sing, sing to me  
Sing me something I need  
Sing you, sing you, God I wish that I could

All my indecision, all of my excess  
Don't you ever tell me I'm not lovin' you best  
I just need a minute, I just need a breath  
You're very hard to drink to my continued success  
Do I have your attention?

You just need me to be stable but I won't be able  
To keep it together again  
Now don't pretty please me  
Do not make it that easy to slow me down

It's no wonder I'm not eating, I'm not sleeping  
You sing, sing, sing to me  
Sing me something I need  
Sing you, sing you, God I wish that I could

All my indecision, all of my excess  
Don't you ever tell me I'm not lovin' you best  
All my indecision, all of my excess  
Don't you ever tell me I'm not lovin' you best
