1. There's something cold and blank,

A2 Ami A2 Ami A2

behind her smile

A2 Ami A2 A2 Ami A2

she's standing on an overpass

A2 Ami A2 Ami A2

in a miracle mile

A2 Ami A2 Ami A2

cause you where from the perfect world,

A2 A2 Ami A2

a world that

A2 Ami A2 A2 Ami A2

thought me away today,

A2 Ami A2 A2 Ami A5

today, today to run away

A5 C5

R: A pill the make you numb,

C5 G5

a pill the make you dumb

G5 F5 A5

a pill the make you anybody else

A5 C5

but all the drugs in this world,

C5 G5 F5

won't save her from her self

2. Her mouth was an empty cut

she was waited to fail

just bleeding like a polaroid

lost all her dolls

cause you where from the perfect world,

a world that thought me away today

today, today to run away.

R: A pill the make you numb...

Ami Ab

*: You where from the perfect world,

Ab Ami Ab Ami

a world that thought me away today
