You wanna know what Zeus said to Narcissus?
You'd betta watch yoself
You wanna know what Zeus said to Narcissus?
You'd betta watch yoself
You'd betta watch yoself
It's like a stranger had a key, came inside of my mind
And moved all my things around
He didn't know snakes can't eat a brain
Can't try to break the psyche down
It's in my half frozen wax
And your artillery lead
Do ya like our plan?
Do ya like our plan?
Deep 6, 6, 6 feet deep
Deep 6, 6, 6 feet deep
It's like a stranger had a key, came inside of my mind
And moved all my things around
He didn't know snakes can't eat a brain
Can't try to break the psyche down
It's in my half frozen wax
And yo artillery lead
Do ya like our plan?
Do ya like our plan?
It's in my half-frozen wax
And yo artillery lead
Do ya like our plan?
Do ya like our plan?
Deep 6, 6, 6 feet deep
Deep 6, 6, 6 feet deep
You wanna know what Zeus said to Narcissus?

Eros is sore!
Sin is sincere!
Sin is sincere
Sin is sincere
Sin is sincere
