

# If I Was Your Vampire

Marilyn Manson

6 a.m. Christmas morning.  
No shadows,  
No reflections here.  
Lying cheek to cheek  
In your cold embrace.

So soft and so tragic  
As a slaughterhouse.  
You press the knife  
Against your heart.  
And say,  
"I love you, so much you must kill me now."

I love you  
So much  
You must kill me now.

If I was your vampire,  
Certain as the moon,  
Instead of killing time,  
We'll have each other  
Until the sun.  
If I was your vampire,  
Death waits for no one.  
Hold my hands  
Across your face,  
Because I think  
Our time has come.

Digging your smile apart  
With my spade-tounge.  
The hole is where the heart is.  
We built this tomb together,  
And I won't fill it alone.  
Beyond the pale  
Everything is black,  
No turning back.

If I was your vampire,  
Certain as the moon,  
Instead of killing time,  
We'll have each other  
Until the sun.

If I was your vampire,  
Death waits for no one.  
Hold my hands  
Across your face,  
Because I think  
Our time has come

Blood-stained sheets  
In the shape of your heart,  
This is where it starts...  
Blood-stained sheets  
In the shape of your heart,  
This is where it starts.

This is where it will end.  
Here comes the moon again.

6:19 and I know I'm ready  
Drive me off the mountain.  
You'll burn,  
I'll eat your ashes.  
The impossible wheels seducing  
Our corpse.

If I was your vampire,  
Certain as the moon,  
Instead of killing time,  
We'll have each other  
Until the sun.  
If I was your vampire  
Death waits for no one.  
Hold my hands  
Across your face  
Because I think  
Our time has come.

Beyond the pale  
Everything is black  
No turning back.  
Beyond the pale  
Everything's black  
No turning back.

This is where it starts.  
This is where it will end.  
Here comes the moon again.

This is where it starts.  
This is where it will end.  
Here comes the moon again.

Here comes the moon again

Here comes the moon again
