## **Mutilation Is the Most Sincere Form of Flattery**

## **Marilyn Manson**

Hey, there's no rules today You steal instead of borrow You take all the shapes that I make Think that you think all the thoughts That I thought you, don't you?

Mutilation's the most sincere form of flattery If you wanna be me Then stand in line like the rest Now, do you know what I mean?

The young get less bolder The legends get older but I stay the same As long as you have less to say Do you think that I wouldn't say this? You know that I play this better than you

Fuck you, fuck you, fuck you too
Fuck you, fuck you, fuck you too
Do you really think that I wouldn't say this?
You know that I play this better than you

Rebels without applause I sell my shadow to those who are standing in it They think I would bitch about them Thinking they are the shit When they can't even step in it

The young get less bolder The legends get older but I stay the same As long as you have less to say Do you think that I wouldn't say this? You know that I play this better than you

Fuck you, fuck you, fuck you Fuck you, fuck you too

The young get less bolder The legends get older but I stay the same As long as you have less to say Do you think that I wouldn't say this? You know that I play this better than you

Fuck you, fuck you, fuck you too
