Tainted Love

Marilyn Manson

Sometimes I feel I've got to Run away I've got to Get away From the pain that you drive into the heart of me The love we share Seems to go nowhere I've lost my lights I toss and turn I can't sleep at night Once I ran to you (I ran) Now I'll run from you This tainted love you've given I give you all a boy could give you Take my tears and that's not nearly all Tainted love Tainted love Now I know I've got to Run away I've got to Get away You don't really want any more from me To make things right You need someone to hold you tight You think love is to pray I'm sorry I don't pray that way Once I ran to you (I ran) Now I'll run from you This tainted love you've given I give you all a boy could give you Take my tears and that's not nearly all Tainted love Tainted love Don't touch me please I cannot stand the way you tease I love you though you hurt me so Now I'm going to pack my things and go Touch me baby, tainted love Touch me baby, tainted love Touch me baby, tainted love Once I ran to you (I ran) Now I'll run from you This tainted love you've given I give you all a boy could give you Take my tears and that's not nearly all Tainted love Tainted love
