Anyone Can See I Love You

Marilyn Monroe

Anyone can see I love you
Anyone can see I care
The way I hold your hand
Ans smile in your direction
Tells the world my heart
Is filled with nothing but affection

Knock me in your arms forever
That's the place I want to be
So anyone can see that I belong to you
And you belong to me

Knock me in your arms forever
That's the place I want to be
So anyone can see that I belong to you
