

Like It Or Not

Mario Vazquez

Ooh yeah
Oh

Whether you like it or not
I'm never gon' stop
Me and my shorty
Oh the love is too hot
Oh I, I'm tired of them lies
Crying to my baby while saying bye, bye
Oh I, I'm never gon' stop
Me and my shorty
Oh the love is too hot
Oh I, I never say bye
Crying to my baby while saying bye, bye

Mami's got a thing for guys with brown eyes
Curly brown hair you know I'm her type
But Daddy sees me as a threat to his child
Plus the way he's lookin' ain't diggin my style
We were
She and I were just chill
Thinkin' 'bout the future and how it feels
She said to me
"Oh boo I can't wait 'til the day we're finally gone
And outta this place"

Whether you like it or not
I'm never gon' stop
Me and my shorty
Oh the love is too hot
Oh I, I'm tired of them lies
Crying to my baby while saying bye, bye
Oh I, I'm never gon' stop
Me and my shorty
Oh the love is too hot
Oh I, I never say bye
Crying to my baby while saying bye, bye

Wake up this morning said to myself
Today will be the day I'm gonna ring on his bell
Didn't have to ring cuz he's standing outside
As soon as I pulled up pure hate in his eyes
I took a deep breath said what I had to say
He looked at me and said "Hey, you better stay away"
You and her together it'll never be ok
I looked at him and said "Ha"

Whether you like it or not
I'm never gon' stop
Me and my shorty
Oh the love is too hot
Oh I, I'm tired of them lies
Crying to my baby while saying bye, bye
Oh I, I'm never gon' stop
Me and my shorty
Oh the love is too hot
Oh I, I never say bye

Crying to my baby while saying bye, bye
Oh I

Yeah, yeah, yeah, yeah

Ain't takin' my baby
Cuz I will go crazy
I'm comin' , comin'
Come girl let's go
Cuz I don't give a what
If your Daddy say no
Ain't takin' my baby
Cuz I will go crazy
I'm comin' , comin'
Come girl let's go
Cuz I don't give a what
If your Daddy say no
Ain't takin' my baby
Cuz I will go crazy

Whether you like it or not
I'm never gon' stop
Me and my shorty
Oh the love is too hot
Oh I, I'm tired of them lies
Crying to my baby while saying bye, bye
Oh I, I'm never gon' stop
Me and my shorty
Oh the love is too hot
Oh I, I never say bye
Crying to my baby while saying bye, bye
Oh I
Yeah
Yeah, yeah, yeah, yeah
