

# Don't Know

Mario Winans

I know you used to care for me  
I could tell by the look in your eyes  
I thought you will be there for me  
Until the day I die

Suddenly I looked around  
And you were nowhere to be found  
You never even said goodbye  
And now I'm searching for an answer girl

I don't know why it hurts so bad  
I can't understand why you left me so sad  
I don't know the reason why I can't understand  
What I feel inside

Don't know why it hurts so bad  
I can't understand why you left me so sad  
Don't know the reason why I can't understand  
What I feel inside, don't know

Confused and brokenhearted  
That's what I feel when I think about you  
I thought we'd never be apart  
Somebody tell me how can this be true?

Now I'm all emotional  
And it's getting hard to control  
If this is love, I don't need it  
'Cause it cuts too deep, baby

I don't know why it hurts so bad  
I can't understand why you left me so sad  
I don't know the reason why I can't understand  
What I feel inside

Don't know why it hurts so bad  
I can't understand why you left me so sad  
Don't know the reason why I can't understand  
What I feel inside, don't know

Everyday I look over my shoulder wishin' you were there  
You promised never to leave me, you said, you'll always care  
(Don't know)  
And now I find myself all alone with  
No where to turn, tell me, what must I do?

Don't know  
I didn't deserve this, baby  
Can't understand  
Don't know why you left me so sad

Don't know  
Feel like I'm going crazy  
Can't understand  
Somebody tell me what I feel inside?

I don't know why it hurts so bad

I can't understand why you left me so sad  
I don't know the reason why I can't understand  
What I feel inside

I don't know why it hurts so bad  
I can't understand why you left me so sad  
I don't know
